The possessed creature's body isn't harmed by the attack. Spirit damage is generally ineffective against creatures that have no spirit, such as constructs.

- ☐ **Great Cleave** *(Requirement: Cleave)*

Your might carries your weapon through multiple foes. When you Cleave, if your strike also kills a target unconscious, you can continue to make melee attacks until an attack doesn't kill or knock a creature unconscious, or until there are no creatures adjacent to the most recent creature you attacked while Cleaving, whichever comes first.
